

2025 Farm Fund First Step Grant Application

Deadline for submissions: February 28, 2025

The Community Food Co-op's Farm Fund is accepting applications for its First Step and Next Step grant programs. The Farm Fund offers grants to strengthen the market for organic and sustainable agriculture in Whatcom County, encourage ecological and socially responsible farmland stewardship, support resilient, successful farms, and increase access to healthy food grown, raised or processed by local producers.

First Step Grant:

The 2025 Farm Fund First Step grant cycle will distribute a limited number of grants of up to approximately \$3,000 for projects that address immediate farm needs and market expansion for the 2025 season, with an emphasis on farmers who face systemic barriers. Priority will be given to farmers who have not yet received a Farm Fund grant.

Next Step Grant:

The Next Step grant offers grants up to \$5,000 and aims to help qualifying farmers successfully overcome the challenges of expansion for wholesale markets to increase the amount, quality, and availability of local food produced and available to serve the Whatcom County wholesale market within 12 to 18 months. Grant funds are to be used as partial funding for a new project. Project proposals are evaluated for the potential to fulfill the goals described in the application.

The grant-to-investment ratio for the proposed project is 1:4. For example, a grant of \$1,250 corresponds to a \$5,000 investment by the applicant. A grant of \$5,000, corresponds to a project investment of \$20,000. Evidence of the financial investment by the farm for the proposed project must accompany the application.

Equity:

The Farm Fund Committee is committed to serving farmers who face systemic barriers. Projects that address systematic and socioeconomic barriers (projects led by or emphasize working with marginalized farmers, BIPOC, women, English as a learning language, members of the LGBTQ+ community, immigrants, veterans, new beginning farmers, and new markets) will be prioritized during the application review. A First Step and Next Step grant will be held for farmers of color.

2025 Funding Focus

Grant funds for 2025 are limited. We cannot guarantee every farm who applies will receive funding. The Farm Fund remains committed to serving the local farming community but will continue to expand the pool of grantees. **If you received a grant in the last two cycles, we ask that you take a year off.** We will be focusing on funding farm businesses directly in 2025.

Qualifications - Applicants must:

- Share how their project demonstrates the priorities listed above.
- Skagit County applicants must supply Whatcom County or serve Whatcom County farms as part of their program.
- Be aware that using funding to pay for labor is not a disqualifier but is typically ranked low. If labor in the short term has a high impact on the success of your project for the long term, please describe it in your application.
- Only apply for the First Step or Next Step grant program.

Examples of potential grant projects: Equipment, materials, bins, expansion of sales channels, hand washing or sanitation stations, market or farm expansion, etc. Click [here](#) for more information about the Farm Fund and previously funded projects. Projects that give farmers tools to improve their work and business vs annual operating expenses will be prioritized.

Application submission:

Applications can be completed online or emailed to farmfund@communityfood.coop. You can also mail or hand-deliver your application to Community Food Co-op, 405 E. Holly St., Bellingham, WA 98225, attn. Annabelle Rosborough. The committee does not review CD's, DVD's or videos. Information brochures or photos can be attached or sent to the Co-op.

If you have questions, please don't hesitate to ask what is the best fit is for your project. Contact the Farm Fund Administrator, Annabelle Wesley, at farmfund@communityfood.coop or 360-734-8158, ext. 317. We look forward to your application!

Sincerely,
The Farm Fund Committee

Farm Fund First Step Grant Application

Deadline: February 28, 2025

Farm Information

Farm Name:

Contact Person(s):

Mailing Address:

Farm Address:

Phone:

Email:

Website:

Number of acres in production:

Certified organic, growing organic and not certified, transitioning to organic (For Information only, not a grant requirement)?:

Number of years in operation:

How many years of farming experience do you have?

How does the food you grow impact your community?

The Farm Fund Committee and the Community Food Co-op recognize that people of color experience disadvantages in many ways. The Farm Fund is prioritizing projects proposed by people of color with two earmarked grants. Would you like to opt-in to the consideration if you are a farmer of color? (Y/N)?:

Financial Information

Total Farm Sales for 2023:

Total Farm Expenses for 2023:

Total Grant Income for 2023:

Total Farm Sales for 2024:

Total Farm Expenses for 2024:

Total Grant Income for 2024:

Percentage of your household income that comes from farming:

Optional additional financial information - Is there anything else you would like to tell us that would provide financial context for your business? (not required):

Proposal Information

Title of your project:

Brief description of what the purpose of this funding is for: *(Appx. 50 words)*

Please describe your farm, including your mission statement (if applicable) *(Appx. 50 words)*

How would a Farm Fund grant further your farm in 2025? Be as specific as possible: *(Appx. 300 words)*

Describe how your project demonstrates one or more of the Farm Fund's 2025 priorities: immediate and critical farm needs and/or market expansion for the 2025 season, with an emphasis on farmers who face systemic barriers *(Appx. 200 words)*.

Project Budget:

Funding amount requested:

Estimated total project budget (including dollars requested):

Additional funding sources (if any):
